Gifts, Gifts, and more Gifts.

So, if you thought a wedding was all about the bride, well you were right, except when it comes to the wedding party. It is good wedding etiquette to give your wedding party tokens of your grati-

tude. Wedding party gifts should convey your sincere gratitude to the bridesmaids and groomsmen who have been there for you through thick and thin. Show your appreciation by

gifting the bridal party with personalized gifts of wine and delectable chocolates and the grooms men with brandy packaged with exotic cigars. Come-on ladies, give 'em a break, they did just help you have your dream wedding.

ver Meadow can offer you a specialized photo opportunity for any season. Spring in the orchard - walking thought the most

perfect apple blossoms whose beauty can only be matched by the brides.

Summer in the vineyard - sunsets that cast a romantic hue to anything caught in their rays. Fall in the forest - surrounded by colors only created by mother na-

ture. Please contact us and reserve the day for setting up the photo-shoot of a lifetime or work with us to have the wedding outdoors at one of thirteen organic wineries in the US.

So what makes Clover Meadow different?

Not only are we the only certified organic winery in the Midwest, and one of only 13 in the US. We are considered a garage winery and our winemakers garagistes. The **garagistes** refers to a group of innovative winemakers, producing "**Vins de garage**", "Garage wine". "The garagiste winemaker, intimately involved in every step of the process, is practically bound to make a wine which reflects his or her personality, just as a painting reflects the personality of the painter. It can be wine made to your own standards, with passion coming before profit."

In other words, it is "for winemakers and owners of limited production, high quality wine brands who are dedicated to their craft and wish to affordably assume more control over winemaking and promotional activities."

Our newest creation is a limited edition of a Wisconsin specialized blend. Comprising of the award winning Marquette grape, King of the North, and native Wisconsin grape. Named Siren for the town that rebuilt itself from a natural disaster and the effect it has on the drinker, seducing them into just another sip. Focusing on the betterment of our county 10% of the net proceeds from the sale of this wine will be given to a local charity most in need. Clover Meadow hopes you enjoy the wine we put our hearts and energy into!
